

SUMMER FAYRE

We would like to say a big thank you to everyone that came to our Summer Fayre. We made a total of £2429.43.

SPORTS DAY

A huge thank you to all the parents, family members and friends that came and supported the event. The children thoroughly enjoyed their races.

AFTER SCHOOL CLUB

For those children who attend our After School Club until 5pm, we will not be running the club on Wednesday 24th July.

SUMMER HOLIDAYS

We break up on Wednesday 24th July and return to school on Tuesday 3rd September.

Thank You

Up and Coming Key Dates

Thursday 18 th July	Y6 Enrichment Day
Friday 19 th July	Y6 Leavers Assembly and Family Picnic
Wednesday 24 th July	Last day of school for summer holidays
Monday 2 nd September	Inset Day
Tuesday 3 rd September	Return to School

Behaviour Dojo Awards

This week, the classes with the most Dojo points are:

KS1 – 1KH

KS2 – 4LG

ClassDojo

Best Class Attendance

This week, the classes with the best attendance are:

KS1 – RNN

KS2 – 5SK

Well Done!

Class Attendance

RKA - 97.27% RNN - 97.73%

1JS - 90.40% 1KH - 93.20%

2JF - 97.09% 2RW - 94.29%

3LC - 90.72% 3SP - 97.59%

4KU - 95.17% 4LG - 89.33%

5SK - 97.60% 5SO - 92.88%

6JG - 80.00% 6LW - 95.51%

Star of the Week

Nursery	Harley
Reception	Noah, Rupert
Year 1	Ronnie S, Amber
Year 2	Lola-Rose, Jenson
Year 3	William, Liliana
Year 4	George, Ollie
Year 5	Kai, Blaire
Year 6	Leo M, Valentina

Nursery

In nursery this week, the children had a great time taking part in sports day. We are so proud of the children for their effort and resilience - well done. We have been writing lists in T4W - listing all the games that Pip and Posy play at the beach. The children were able to share their own ideas of games they like to play. In maths, we have been continuing to recognise numerals 1-5 and recognising these amounts. Our nursery rhyme of the week is 'Little Bo peep'.

Reception

This week, reception have been preparing for our sports day. The children had a fantastic time competing in the sprint, hurdles, sack race, beanbag and egg and spoon. Thank you to all parents/carers who helped cheer us on. On Wednesday, we had our transition morning where we got to meet our new teacher for year one. The children were experiencing lots of different emotions from excitement to meet their new teacher and fear of the unknown. These feelings are to be expected and we will continue to support your child with this. Please could you help us in supporting your child at home? Thank you and see you next week.

Year 1

We have had a busy week in Year 1, enjoying Sports Day and visiting our new classrooms for Year 2! We have also been learning about Paris and France as we begin to write a persuasive piece of writing linked to the upcoming Olympics. In maths, we have started our unit learning about money - any practise exploring real coins and their values at home will be really helpful!

Year 2

Year 2 have had a great week - lots of exciting things have happened. On Tuesday, we took part in Sports Day which we all thoroughly enjoyed! On Wednesday, we spent some time with our new teachers discussing our emotions as well as creating handprints as part of a whole school activity.

Year 3

In year 3 this week, we have focussed on our arithmetic and times tables skills in maths. We are beginning to write our own stories that include a character with a serious flaw. In Jigsaw lessons, we have started to learn about the changes that we experience as we get older. We all had great fun at our Sports Day too.

Year 4

This week, we have been looking into the Olympics and Paralympic games in Paris 2024. We have spoken with Paralympic long jump champion Stef Reid about resilience, finding new hobbies and overcoming challenges. We have also been looking at the British Values and how tolerance and mutual respect are highlighted during the Olympics as athletes from all over the world join together to compete.

Safeguarding

School avoidance is a sharply increasing phenomenon, with a negative effect on children's wellbeing and education. The factors that come together to make a child consciously avoid seeing their classmates and teachers can be much more complicated than is often assumed. A careful, mindful approach from parents, carers and educators is required to help children return to an environment that may be causing them intense anxiety.

This week's guide aims to help you understand the topic of school avoidance – not only its potential roots and ramifications, but also what you can do to help children and young people navigate these obstacles and continue their education.

Year 5

In Year 5 this week, we have continued to read Pig Heart Boy. We have reached the point where the main character, Cameron has had a Pig Heart transplant and is recovering in hospital. We have enjoyed exploring the ways in which the author has created tension and has shown emotion which dealing with controversial topic. The Year 5 team are also really proud of the children's efforts during Sports Day.

Year 6

We have had a very busy week in year 6. Not only have we had our transition day to our secondary school. we have taken part in our last primary sports day. The children behaved impeccably at both events and have really made the year 6 teachers proud. They have demonstrated the qualities of 'Being the Best they can be', even when in unfamiliar or challenging situations. We have continued our science topic and have begun to understand inheritance, adaptation and how to distinguish between the two.
